## Food Services Department

# ANNOUNCEMENT

We are very excited to announce that starting tomorrow, September 2<sup>nd</sup>, the USDA and The National School Lunch Program has approved Amador County Unified School District to serve **FREE** breakfast and lunch meals to **all** children under the age of 18. Children do not have to be enrolled in the school district to receive free meals and children do not have to be present during meal pick-up.

This service will be provided through the California State Program, Seamless Summer Feeding Option and will continue through December 31, 2020 except for school calendar holiday's and school breaks.

**Curbside and bus route locations and times will remain the same.**

Beginning January 1<sup>st</sup>, 2021 school meal service will return back to charging for meals according to your household eligibility. We encourage households that may qualify for free or reduced meals to submit a Free and Reduced Meal Application now to avoid charges after the SSFO Program ends.

We thank you for your patience and understanding during these difficult times and we hope you are able to take advantage of this wonderful opportunity.

Please contact The Food Service Department at (209)257-7791 if you have any questions or concerns.
