**Go to  
[ATCAA.org](http://ATCAA.org)  
for more  
info.**

## AMADOR COUNTY

### ATCAA Continues to Provide Critical Services - Limits In-Person Contact

**JACKSON, CA.**- In effort to keep the most vulnerable in our community safe while still providing emergent services, the Amador Tuolumne Community Action Agency, (ATCAA) is limiting in-person contact during the COVID-19 crisis. Effective through March 27th, doors will be closed to the general public at the Jackson Service Center, but most programs and services will remain open with the exception of Head Start who will follow the county schools closure protocols and the Free Tax Preparation Program which is awaiting IRS direction.

ATCAA provides services to low income residents who need of assistance in areas such as housing, emergency shelter, energy bill and home weatherization assistance, free income tax preparation, childcare, Lifeline medical alert systems and more.

There is an application and screening process for almost all services and that process can be handled initially over the phone and through the mail. Information and applications for services are available on ATCAA's website and outside the Service Center. A secure drop box is also available for completed applications.

When an in-person appointment is necessary, staff will schedule as needed and emphasis will be placed on infection prevention such as disinfecting common areas and practicing social distancing.

ATCAA can be reached by calling their main number at 209-223-1485, Monday through Thursday from 9am until 4pm. For more information about specific programs and how to reach them directly visit [ATCAA.org](http://ATCAA.org)
