

# Post Adoption Services in Amador, Calaveras, and Tuolumne Counties

Welcome! My name is Beki Sells Medina and I am your Lilliput Post Adoption Services (PAS) Social Worker serving Amador, Calaveras and Tuolumne Counties. I have worked for over five years with Lilliput's Post Adoption Services in the Mother Lode area. I have adopted three of my grandchildren, and I am acquainted with the unique challenges that may affect adoptive families. Adoption can present unforeseen challenges along the way, which may change with time, and I am here to support you in this journey.

Our PAS program is designed to support you on your adoption journey. I am available to answer questions, help address concerns, refer you to resources, and provide opportunities for you to engage with an adoption community. Give me a call and let's talk!

Looking forward to meeting you,
